

Brigg Youth Centre

New Children's Centre, Brigg, North Lincs

Project Team

Contracts Manager

Andrew Kelsey

Site Manager

Peter Hattam

Quantity Surveyor

Matthew Robinson

Client: North Lincolnshire Council

Project Dates: July 2010 to December 2010

Value: £0.5m

Architect: North Lincolnshire Council

GS Kelsey: Principal Contractor

The project involved the construction of a new children's centre on a corner plot next to the existing youth centre. The existing disused building on the site was demolished and the site cleared. The new children's centre is a single story traditional brick and block construction with pitched pantile roof.

The building was connected to the services and landscaping, car parking, security fencing and external play areas completed the project. Work was also carried out in the existing youth centre to refurbish the toilets.
